## Property Description

A beautiful five bedroom family house in the heart of Parsons Green. This large family house has been recently refurbished and is over four floors. The large basement downstairs can be used as a family room with an en suite bedroom for guests.

## Main Particulars

A beautiful five bedroom family house in the heart of Parsons Green. This large family house has been recently refurbished and is over four floors. The large basement downstairs can be used as a family room with an en suite bedroom for guests.

Delvino Road is located moments from Parsons Green and therefore benefits from the local shopping and transport facilities, as well as those of the New Kings Road, Fulham Road and Fulham Broadway. The open spaces of Eel Brook Common and Parsons Green itself are nearby.
