Property Description

A beautiful recently refurbished three bedroom house over three floors. The house has a large reception room on the ground floor, with a spacious dining and kitchen area on the lower ground and three double bedrooms. It also benefits from a garden to the rear of the property.

Main Particulars

A beautiful recently refurbished three bedroom house over three floors. The house has a large reception room on the ground floor, with a spacious dining and kitchen area on the lower ground and three double bedrooms. It also benefits from a garden to the rear of the property.

Stamford Street runs between Kingsland Road and Englefield Road and the house is on the section of the street between Mortimer Road and Hertford Road away from the main road. Dalston Junction station (overground) is moments away as are the excellent local amenities of De Beauvoir including the excellent De Beauvoir deli.
