Property Description

Palace Wharf is an iconic, boutique gated development benefitting from direct river path access, secure off-street parking, an on-site concierge and 24-hour security. A unique opportunity to purchase a new build river facing (SW aspect) Freehold town house with uninterrupted views of the River Thames and South West facing terraces. The property comprises three double bedrooms with en-suite bathrooms, double reception room, an open plan kitchen breakfast room, utility room and a separate cloakroom. It further benefits from comfort cooling to the principal rooms and a Crestron Home Automation system. Palace Wharf is ideally located in the heart of West London with excellent transport links and within a 10-minute walk of Hammersmith tube station and close to the Michelin starred River Café.
